

# APPLIQUED DOGTOOTH BORDERS

HALF DAY LECTURE DEMO

FROM THE AUTHOR OF "A PERFECT UNION OF PATCHWORK & APPLIQUE" C&T PUBLISHING, INC.

DARLENE C. CHRISTOPHERSON

PROCESS ONLY, NO PROJECT. **ALL LEVELS OF EXPERIENCE.**

A LECTURE/DEMO leads the class presenting the process step by step, followed by 'hands on' practice on paper [not fabric]. The DCC DOGTOOTH TOOL takes the math out of planning this border treatment.

SUPPLIES NEEDED: Small/sharp paper scissors, any mechanical pencil.
