

# PREP FOR NEEDLETURN APPLIQUÉ

## HALF DAY

FROM "A PERFECT UNION OF PATCHWORK & APPLIQUE" C&T  
BY DARLENE C. CHRISTOPHERSON

PROJECT **BEGINNER TO INTERMEDIATE** Follow one of Darlene's charming, 8" patterns of bird and leaf shapes to learn to prepare for hand needle turn appliqué. Lesson covers basic stems, circles, and template pieces. Over half of the time is spent in demo and presentation of good fundamental information and a very small amount on actual sewing. The kit is for follow up practice.

\$5.00 KIT INCLUDES: Pattern and all fabrics, some pins and a needle, printed freezer paper - ready to use. Fabrics will vary.

SUPPLIES NEEDED: **No need if you want to listen and learn and sew later.**

OPTIONAL: Thimble and misc. hand sewing tools. Small/sharp fabric & thread scissors, small/sharp paper scissors, any mechanical pencil. One full new sheet sand paper or sand paper board.
